NATIONAL PRESIDENT REPORT –

Rob Beveridge, Devonport, Tas.

Kaye & I finally arrived home to Tassie on the 26th August after a few months on the road.

I have sent this Report early as I am booked into hospital for an operation in September.

After the Perth Rort we continued north along the Western Australian coastline, as far north to Derby across the Gibb River Road and then travelled through the middle of Queensland into Brisbane and then Sydney where it was great to catch up with

family.

One does not realise what a great expanse of land Australia is until you are travelling around it. We saw a great number of wonderful sites and probably one that will stay in our minds is the over night stay on a catamaran at the Horizontal Falls.

On our travels we were able to catch up with a few Apex 40 members. We certainly would have liked to have caught up with more members; but due to a health problem this was not possible.

Hopefully by the time you have read this report I will have had my operation and be well on the way to recovery.

The Wyong Rort is only 8 months away and as we know the older we get the faster time seems to go, so the Rort will be on us before we can turn around. (as the saying goes) The picturesque Wyong and surrounding areas will certainly be a great setting for the 2009 Rort, so get your registrations rolling in.

Look forward to catching up with everyone in Wyong.

Since Rob sent this Report he has been to Melbourne for Heart Surgery and from all reports is progressing well. (Ed.)

**NATIONAL SECRETARY /
TREASURER – Pamela Richardson**

I was delighted to hear from Brendan O’Connell that Leeton is to form a branch of Apex 40. Well done Leeton – We hope some of your members will attend the Rort at Wyong. It is also a pleasure to tell you that Dandenong Valley has registered with Apex 40 after a five year break. We have heard of several other branches being formed—but they have not registered at this time.

President Rob and Kaye called around on Friday to show us their new ‘baby’. Maisie is a gorgeous Cavoodle puppy. I am pleased, and relieved, to tell you Rob is looking very well after surgery in Melbourne.

Have YOU registered for the Wyong Rort? We have.

NOTE TO BRANCH SECRETARIES

Branch Registrations of Apex 40 are required to be completed by 31 December. The Annual General Meeting voted to increase membership fees from \$3 a couple to \$2 per person. The maximum of \$80 per branch has been removed.

I will appreciate early registrations as I do not like hounding branches for money.

International Relations and Apex Liaison – Sandy Harmer.

We are very proud to announce that Apex 40’s is now listed in the International Directory of 41 Clubs.

We can be found at www.thehinge.de and click on “Members Directory”.

This came as a suggestion from Ken Boden who was on the UK tour last year and was the U.K. International Relations Officer at the time. He believes we are the same clubs under different banners and we should be doing more together. Go Ken!!

Malaysia have already produced details of the Mass Tour for 2009 and this is now on our website. Think seriously about spoiling yourself with a great value for money holiday and wonderful Apexian friendship.

Darrol and I were privileged to be at the National Apex Convention in Toowoomba last July and really enjoyed ourselves. We were most impressed to see members at the business sessions in suits and very disciplined under the leadership of Rick Hose, past national president. I gave a short presentation on Apex 40 and met many people who showed much interest. We have to get our future members from Apex and we need to maintain and strengthen our relationship with Apex Australia.

Our congratulations to Rick Hose for a wonderful year of passion and leadership and to Sharon for her continued support. To Paul Gallagher, the new national president, we look forward to continuing the friendship.

AROUND the CLUBS

MELBOURNE NOR'WESTERS - J R Repath, President

The joint meeting with Bendigo at Kyneton Bowling Club in June went very well. 24 members attended the Xmas in July dinner. As usual, a hilarious time was had by all, so much so that most couldn't tear themselves away until 5.30pm.

That was some kind of record, and largely due to the excellent hospitality of the hosts Trevor and Maree Jaensch. Another function enjoyed by members was the performance of The Pirates of Penzance at the Paramoor Winery, with Val prancing around as a pirate in his G & S Production.

The annual Crazy Whist (card) night was held at Max and Nola's new home. Max assured the President the accent was on crazy rather than the whist. In September Bob organised a wine tasting and lunch at the Gisborne Peak Winery which is run by another ex Apexian couple Bob and Barbara Nixon.

Congratulations to John and Nancy who celebrated their 40th wedding anniversary at the Dudley Homestead on the 5th October with club members attending the BBQ.

WYONG – Lea Dumpleton, President

The Christmas in July luncheon at Bateau Bay was a great day with 25 members attending. Ron and Jan Storey from Tassie and Bill and Jill, past Woy Woy members, were welcome guests. Great to welcome back John and Joy Lusted, hope to see more of them now.

The spit roast was great and we also had a visit from Santa who distributed some varied and unusual gifts. Ten of us attended a very pleasant afternoon on Saturday 26th July to help Ray and Sue celebrate their 40th wedding anniversary.

We were pleased to have Stephanie, President of Gosford Apex Club, and Gosford Apex Club member Allison attend our August dinner. There are only nine members in Gosford Apex Club and they are hoping our club can assist with events, particularly their Australia Day function.

A few couples attended the “Mother & Son” fundraising function at Strathavon in September.

JOCK LITTLER – Devonport (From Barrie Richardson)

Not many people have a pavilion or stadium named after them, but Devonport’s Jock Littler has. The pavilion on the site of the Devonport Apex Regatta carries his name; and rightly so.

Earlier this year Jock attended his 50th Regatta. He was part of the original organisation, and at 77 years of age is still on that Committee and is a life member of the Devonport Apex Regatta Association.

Many will remember Jock and Jenny from Apex 40 Rorts. Unfortunately Jenny died from secondary cancer 4 ½ years ago. Since then Jock has continued their involvement with the breast cancer network of Australia. At the time of writing he was busy arranging the annual garden party fundraiser to be held at his home at Forth.

No wonder he was last year’s Devonport citizen of the year. Well done Jock.

REDLANDS– Bill & Val Cramp, Newsletter Editors

In early August members started gathering at Bungunya Manor, Mt. Tamborine on Friday afternoon for a weekend away. The bus tour included the tasting of wines, cheeses and more wines before lunch, and after a great meal, included visits to the lavender farm, the Gallery Walk and two more wineries.

A wonderful weekend of fellowship was had by all. The venue and hosts were great and members were surprised by the quality of the wineries and other attractions so close to Brisbane.

BENDIGO – Bob Caldwell, President

Twenty Nine Members attended the meeting of “Koolish Kapers in Krispy Kyneton”, a walk to lunch at the Kyneton Bowling Club, followed by a stroll around town and a bus trip back to the Kyneton station.

From all reports (yours truly disappeared early), everyone enjoyed the train trip down and back from Bendigo without the pressure of driving, the very reasonable fare and being able to indulge/relax just that little bit more than usual.

It was great to have lunch with the Melbourne Nor’westers, as well as indicating their preparedness to assist with the 2010 Rort, wherever possible.

The Rort Sub-Committee has met and starting to firm up the program, accommodation and transport for the Rort and Post-Rort tour.

Congratulations: Bendigo Apex 40 Club will celebrate its 30 Birthday on November 16th 2008. An invitation has gone out to all Apex 40 Members. See the Website for full details.

SUNRAYSA – Elaine Gray, President

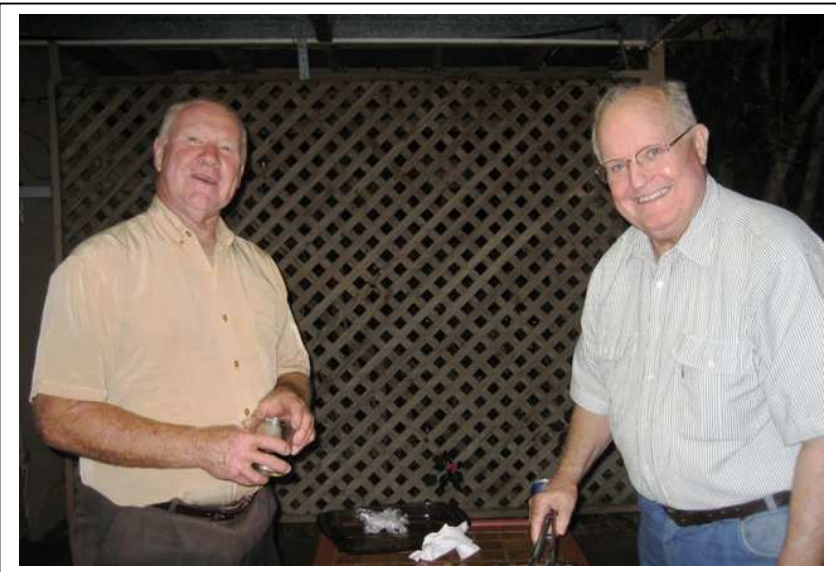

In July a very enjoyable lunch for members was held at the Higgins Farm. Warming casseroles and decadent desserts were enjoyed by the members who made the trip. Julie & Max organised the September outing of a bus trip to “Mungo” where they visited the Interpretive Centre, Woolshed, Dunes and Grand Canyon.

ALSTONVILLE – Lyn Batterham, President

In August the three course lunch time meeting was held at Che’Bon Restaurant (formerly the Church Restaurant), which has had good reports.

WYNNUM/MANLY – John Watson, President

Nineteen members competed in the clubs lawn bowls competition in September and there were two winners with 5 games each.

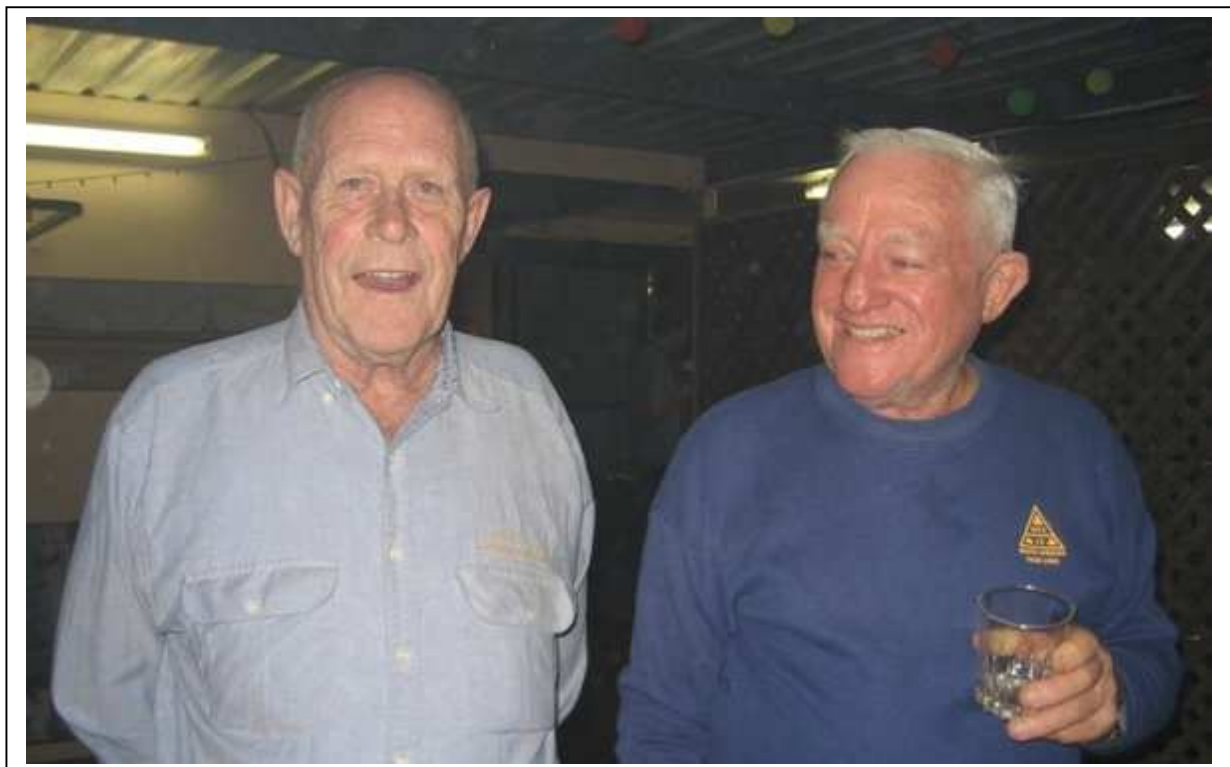

Esthere Quill and Ron Miller showed them how it was done. A good time was had by all.

Recently a BBQ dinner was held at the home of Des and Denice Clements in Brisbane's Bayside suburb of Manly.

Des Clements and Jim Goodwin preparing succulent Bar-B-Que steaks.

Brian Roach from Melbourne attended the dinner with his buddy from the Perth Rort, Bob Skinner. Brian was able to meet up with friends and habitual Rorters on their home turf in Queensland.

A mystery weekend away at the end of October has been arranged. Sounds interesting as members were asked to wear something black for Saturday night's entertainment.

Regular Rorters, Brian Roach and Bill Jessop at Wynnum/Manly's Dinner

GEELONG – Greg Melville, President

Rob Nichols has progressed well with the production of the Club Membership Year Book which includes photographs and some past history of its members.

The guest speaker for the August meeting was Mr Frank O'Brien, a retired Lieutenant Colonel from the Australian Army having been involved in Language and Communications in Vietnam.

Frank gave a presentation on "Vietnam – The Past and Present" including a history of Vietnam from Early settlement to Vietnam today. Frank is involved in running Private Rail Tours from Saigon to the Chinese Border and screened a DVD on "Franko's Rail Tours of Vietnam". Also Ray Pitcher and Roger Shearer told us some of their memories of Apex.

The September meeting was a "Krazy Whist Night". This was guaranteed, by President Greg, and proved a very interesting evening showing the possibilities of "Bulk" entertainment and diversity in Card Games.

Ian Morris and Wayne Smith also told us some of their memories of Apex.

MANLY INC – John Cameron, President

An ex Apexian night was held in October as a way of introducing past Apex members to Manly Apex 40.

Vale – Geoff Keen – (1924 – 2008)

It is with deep regret I advise Manly Inc. members and ladies of the passing of our fellow member and good friend Geoffrey Keene. Condolences have been conveyed to Val and her family with flowers from the club being forwarded to the family home. Our thoughts are with them all at this sad time.

NEPEAN VALLEY – Keith Miller, President

A Bush visit to Neil and Sue Williamsons farm in August was a weekend for the Wrights, Rumbles and the Miller man. Out to "Boonderoo" where there was plenty of mirth and fellowship. Thankyou goes to Neil and Sue for their hospitality.

It was just so relaxing sitting around, chatting having a drink or 3, and just soaking up the country lifestyle.

The Wrights went to Dubbo Via Gulgong to celebrate their wedding anniversary (the following week). The “romance” was delayed a little when a familiar “motor home” pulled up at the motel. The Rumbles were in town, and a great night was had at a local restaurant.

So much for the upmarket Global Tracking Systems (GTS) or “Tom Tom’s”. Both Garry and Ken have these contraptions but when you are on a lonely dirt road out in the sticks, they are not so effective! Both got lost. Garry’s kept telling him “find the nearest road”, whilst Ken’s just did not compute – they eventually found their way to Jones Creek Road.

The Board have given approval to Keith and Ken to progress another Zone 9 reunion in 2009 – we have now made a tentative booking for exclusive use of the Bathurst Goldfields facility as was done at the last reunion in 2007.

**ZONE 9 REUNION TO BE HELD 16-18 OCTOBER 2009
BATHURST, NEW SOUTH WALES**

MARYBOROUGH, QLD – Brian Fulmer, President

As foreshadowed, on a truly magical September Sunday morning, 24 members, visitors, guests & family packed into the Wide Bay Bus and set off from Maryborough to visit the South Burnett District.

In perfect weather members travelled via Gundiah and Kilkivan to the Moffatdale Ridge Winery near Murgon for a day of feasting and entertainment.

After a personalised wine tasting by the owner, samples of the full range of the winery’s wares were consumed with great fellowship and the group then adjourned to the winery’s veranda.

The scenic vista overlooking the Barambah valley proved the ideal setting to enjoy Moffatdale Winery’s very popular monthly Tuscan Feast. Some local ex-Apexians at the feast noticed our Apex 40 badges and were interested to find out about our organisation and how could they join.

The Winery’s four course Mediterranean style lunch was complimented by some delightful fun and frivolity organised by Brisbane Tenor Tom McCahon. Known throughout Queensland as Mr Versatile, Tom topped off the day with his unique one man show, and plenty of audience participation.

Jo & Keith Commins with Narelle Charteris and Pam Fulmer at Moffatdale Ridge

Performing a variety of styles from Comedy, Rock and Roll, Sing-along, Ballads to Opera Tom had the audience enthralled. Sometimes there was a mixture of all of the above in the one song.

Plenty of clapping, singing, laughter and some dancing all the way through the 4 course feast was washed down with a liberal quantity of the Ridge's fine wines and liqueurs.

On the trip home members enjoyed a visit to Cheese World at Goomeri and an entertaining coffee shop fine session conducted by Herb Neil. A comfort stop at Woolgoolga, a visit to the Hotel for some and it was home just in time for sunset. It was another fabulous day out for the Club and judging by the number of cartons of wine that came home on the bus, there are more to follow.

Thanks to ex Nundah Apexian's Ray and Pam Masterson and Members at Large Alan and Mary Bach for visiting and enjoying the day with us.

MELBOURNE-GIPPSLAND – Geoff Angus, President

Our June meeting was different – we had a luncheon instead of an evening dinner meeting when we gathered at the Dava Hotel at Mt Martha, on the south-eastern shores of Port Phillip Bay. We had 23 members and one guest at the luncheon.

It was a pleasant and inexpensive luncheon and enjoyed by those in attendance. Alan Kinder provided a summary of the Rort held in May

in Perth and presented Alan Padgham with the Pen Ultimate Award for Best Dinner Notice – the Melbourne Gippsland Newsletter. We acknowledge that Padg has won this award several times in the past, and deservedly so.

After the luncheon and despite very windy weather, several of our number travelled to see the new Martha Cove development consisting of an on-shore marina with a channel connecting the marina to Port Phillip Bay.

Perhaps the most interesting aspect of this development is that the roadway along the coast dips down under the channel so that boats with their high masts are able to sail out over the vehicular traffic. We did appreciate the efforts of our tour guide – our own Ken Neate - for leading us on this part of our Apex 40 outing.

In August we were back at our usual dinner venue, the Clayton Bowls Club, where we had 24 in attendance. Colin and Marianne Speirs enlightened us on the joys (and the less enjoyable aspects) of cruising in the South Pacific.

Members were also surveyed on their preferences for a future visitation, with the Gulf Station near Yarra Glen being slightly more popular than the Royal Botanic Gardens at Cranbourne. There was also discussion of possible locations for a weekend or midweek away for implementation in Victoria's good autumn weather.

On paper, our membership of 49 sounds rather good but some of our fellow members are unable to actively participate in Apex 40, eg Max and Jean Reid live in Renmark, SA. For the future of our Branch, we need to assess what needs to be done about membership, how it might be done and who might be the ones to do it. We have now formed a "taskforce" to develop our membership strategy and plans with volunteers for the "taskforce" being Ley Garrett, Alan Padgham and Garth Whitchurch. To use that often over-used term of these times; we need to do something about our sustainability.

For the future, our next dinner meeting will be on the 9th October followed by our Melbourne Cup gathering at the home of Geoff and Lyn Angus and then our Christmas dinner meeting on the 4th December. To round off the year Mike Pavey has arranged for the Kinder Classic Golf Day to be held on Monday 29th December at the Box Hill Golf Club. Even if (male) members cannot play golf, they can still attend the after-golf BBQ.

Report by Seremban Apex 40 Dinner Notice Editor - T.T. Singam

Konvensyen “Enrich Apex”:

The 33rd *National Convention of the Apex Clubs of Malaysia* was held from 1st – 3rd August at the resort town of Port Dickson. Hosted by the *Apex Club of Seremban*, it coincided with the host-club’s *Golden Anniversary*.

The three-day programme kicked off on Friday with the *Asia-Pacific Regional Mid-Term Meeting*. The pre-social incorporated the *Installation Dinner of the Apex Club of Seremban*, which saw Apexian K. Kunjuran being installed as President for a second term. This was followed by a public speaking contest which ended with Lifer Dr K. Mohanadas of the *Apex Club of Kuala Lumpur* taking the trophy.

Day Two of the Convention was a busy one...with the Business Session taking up the whole morning. While most of it was a drab affair, a talk on the future of Apex and how to arrest its downslide by *Apex Australia* Past National President Rick Hose was an interesting one. There was active participation from the floor in the discussion. A pertinent point raised by a member of the *Apex Club of Klang* on the “re-cycling” of club presidents is, to me, a major cause of the downslide.

I believe *Apex* should be given back to the youths. The older Apexians...and there are too many of them...get the hell out! The youths don’t need your rusty brains! They don’t need your pot-bellies and bald-heads. If you want fellowship and want to reminisce about the good, old days, set up Apex 40 clubs. Look at the Aussies...they are having a roaring time at their RORTs, with the spirit of Apex still burning in them! Enough said!

The afternoon session of Day Two was taken up by the First Annual General Meeting of *Apex Global* (the son of *Apex International* (sic!)). Held simultaneously was the *Apex Youth Forum*. This, I believe, is a good move.

The crème d la crème of the Convention was the Gala Dinner on Saturday night. Fellowship was the order of the night, with old friends renewing ties with each other. The poor Master-of-Ceremonies for the night had to plea profusely to keep attendees at their table.

The highlight of the evening was the cutting of the Golden Jubilee cake by past presidents of the *Apex Club of Seremban*. Other highlights worth mentioning were the video presentation on the birth of Apex in

Malaysia and the rib-tickling look at the country's political landscape by satirist *Monti Bolehman*.

Though many were weary of the evening's lengthy programme, and the farce that was the table-draw, it was a good attempt by the *Apex Club of Seremban*. Kudos to Apexian K. Sathia Seelan! I understand it was mostly a "one-man show".

Day Three was essentially the Installation of the in-coming National Board, with Apexian K. Thavanesan being returned as National President of *Apex Malaysia*.

Let's now look ahead to *Konvensyen Gemilang Apex* to be hosted by the *Apex Club of Kuala Lumpur* from 7th – 9th August 2009 in Kuala Lumpur.

"Happy Days" Holiday Rort

Wyong 27-30 March 2009

Registrations are trickling in, and trickling a little faster now we are getting closer to the desired registration deadline of the end of October. More people have booked accommodation than have registered so we know those registrations will keep coming in. We have a few registered for the post Rort tour, more needed. It has been suggested we write to each club to get the word around (which we will do), please let your friends know what we have planned.

Transport to Wyong

If you are flying in to NSW the train service is good from the International (or domestic) Airport, catch a train at the airport into Central and then a train to Wyong and we will pick you up there.

Services are reasonably frequent, you can check on the Cityrail web site.

Buy a ticket straight through as it will be cheaper, cost \$22.40 (less if you are a pensioner but you need an entitlement card and States do not have reciprocal arrangements unfortunately).

Alternative - the Airport Shuttle which will take you to the venue or where you are staying, cost is \$45 per person one way. Call on 1300 559 657.

The Rort: We didn't give too much detail on the Saturday program during the day as we thought we may be able to put together a mystery tour, this is looking promising at the moment so prepare to be surprised.

Skits: For those of you thinking about skits can we ask you to hold off for now, we are planning something a little different (I will let you know when we have the plan together).

Chris King (who you will remember from the 1996 Rort) is with us on the Saturday night and we will generate some in-house entertainment I am sure you will enjoy. All clubs and/or individuals will have an opportunity to participate.

Enquiries: The Rort committee is meeting regularly to put together a value packed program you will enjoy. Darrol, Sandy, Marian and I will help with any questions you have, please see the registration form for contact details.

See you in March 2009, **Malcolm Clark, Rort Chairman.**

GYMPIE MUSTER

A number of Apex 40 members attended the Gympie Muster and celebrated with the younger Apex members and friends in near perfect weather. The Muster again turned the forest into a mini-city with around 25,000 visitors and the event now costs \$4 million to stage.

Organised by Gympie Apex Club, the Muster has raised more than \$11 million for charities since its inception. Each year merchandise sales provide up to another \$100,000 for a rural aid appeal.

According to Muster co-ordinator Brian Sansom this is Australia's biggest outdoor country music event and as such there are many nation-wide benefits. He said the music festival, sponsored by Toyota and many other companies hoped to gross \$5 million in 2008.

The Gympie Apex Club carries the risk, but it is worth it, as the event does a lot for our community and tourism. It requires a huge effort to set up a site in a state forest but fortunately another 50 organisations assist and are rewarded for their efforts. Profits are widely distributed.

Patrons converged on the legendary Muster week long event from all over Australia and the World, and every one of them had a ball. There are no strangers at the Muster – just friends you haven't met yet.

EDITORIAL

Keith Haddon is now well installed as the new Apex 40 Webmaster. Please Keep Keith informed with your Club's Activities, news and Photographs. A small effort from members helps Keith keep the site interesting. To check out all the news, contacts, history and activities on the Website, just "Google Apex 40" and there it is.

Thank-you to the Clubs and Members who sent the photographs, reports and newsletters included in this issue. Special thanks to T.T. Singham, Seremban Apex 40 Malaysia for his Report on the Apex Malaysia Convention. Hopefully the new reporters and those who have missed a few issues will keep up the good work and keep us informed.

We are very pleased to hear that Rob Beveridge is going well since his recent heart surgery. It was great having dinner with Rob and Kaye on their way home from the Rort. Thanks also to our new Webmaster Keith Haddon and his ever helpful wife Liz for joining us on that occasion.

We attended Wynnum/Manly Club's Christmas in July Dinner at the Wynnum Manly Yacht Club. Fellowship was held on the foreshore under a bright full moon before going inside for Dinner and a Trivia Quiz on all things Christmas and Nautical. Bill Jessop seemed to know the answer to the really tricky questions and was off to a good start but his was beaten by a knowledgeable group from the Yacht Club. Denice Clements and her helpers hard work resulted in our having a most enjoyable evening.

Brian Fulmer, Maryborough Club, organised a fabulous day out at the Moffatdale Ridge Tuscan Feast which we had the privilege of attending. Thanks to Maryborough for their fellowship and Tom McCahon for his great show. Full marks to the Winery's Jason and Sue Kinsella for their hospitality and we wish them every success.

Brian Roach from Melbourne called in and stayed with Bob Skinner on the way to his Curtis Island Holiday. Brian and Bob along with Keith and Liz Haddon and our-selves enjoyed being guests at the recent Wynnum Manly Club Bar-B Que Dinner. Thanks to Des and Denice and the club for their hospitality.

Bendigo have announced that their Rort will be held on Friday 30th April to Monday 3rd May 2010. The Post Rort Tour will be from May 3rd to Friday May 7th. Five day Trips are planned taking in the Bendigo, Echuca and Ballarat areas. Anzac Day 2010 falls on the Sunday before the Rort and Easter Sunday is early, on April 4th in 2010.

A Very Merry Christmas and a Happy New Year to all.

Mary and Alan
